HONDO CATHOLICS DEDICATE THEIR HANDSOME \$7,000 HOUSE OF WORSHIP

ST. JOHN'S CATHOLIC CHURCH AT HONDO

The St. John's, the Evangelist, Church, Hondo's new Catholic church, was dedicated with appropriate and impressive ceremonies by Rt. Reverend Bishop J. W. Shaw, D. D., Bishop of the San Antonio Diocese, at 10 o'clock Tuesday morning, October 29, 1912.

Father Tinnel celebrated the Mass, assisted by Fathers Wirtz and Herman as deacons of honor; Esther Maas, deacon; Father Pothman, sub-deacon and Father F. Schneider, master of ceremonies. The local pastor, Father J. J. Myers, and several visiting clergymen were also present in the sanctuary.

After the celebration of the Mass, Rt. Reverend Bishop Shaw delivered an eloquent discourse of about an hour's duration. He congratulated the members of the parish and their pastor on having erected and furnished such a magnificent house of worship without

having incurred any debt, and paid a graceful compliment to those Protestants of Hondo who contributed to the same. He counseled a frequent and zealous attendance upon the ordinances of the church, and admonished his hearers to be good and faithful Catholics. He closed with an earnest appeal to the parish to follow up the good work thus begun by erecting a suitable parochial home for the parish priest.

The services lasted for about two hours and a half and were beautiful and impressive throughout. They were attended by visiting Catholics from all over Medina County and a number from out of the county. Several visitors from the Protestants of Hondo were also noted in the audience.

The new church is a commodious brick structure, 41x80 feet, and of attractive appearance. With its simple, but pretty fixtures, it is ideal in every way for its purpose.

RUN-DOWN PEOPLE

Made Strong by Vinol.

Run-down conditions are caused by overwork, worry, too close confinement, a chronic cough or cold which it is difficult to cure.

We want to say to every person in this condition—you need Vinol, our delicious cod liver and iron tonic without oil, the great strength creator. It will supply iron to the blood in the most easily assimilated form, create a good, healthy appetite, strengthen your digestive organs and make you eat better, sleep better and feel better.

A case has just come to our attention from West Scranton, Pa., Mrs. Chas. Proper says: "For three years I was all run down, weak and had no appetite, and after all that time I am glad to say Vinol has brought back my health and strength, which is just what I was told it would do."

We are confident that Vinol is the best body-builder and strength-creator we have ever sold.

Young Women

Read what Cardui did for Miss Myria Engler, of Faribault, Minn. She says: "Let me tell you how much good Cardui has done me. As a young girl, I always had to suffer so much with all kind of pain. Sometimes, I was so weak that I could hardly stand on my feet. I got a bottle of Cardui, at the drug store, and as soon as I had taken a few doses, I began to feel better. Today, I feel as well as anyone can."

TAKE CARDUI The Woman's Tonic

Are you a woman? Then you are subject to a large number of troubles and irregularities, peculiar to women, which, in time, often lead to more serious trouble.

A tonic is needed to help you over the hard places, to relieve weakness, headache, and other unnecessary pains, the signs of weak nerves and over-work.

For a tonic, take Cardui, the woman's tonic. You will never regret it, for it will certainly help you. Ask your druggist about it. He knows. He sells it.

MY FATHER

Had Eczema 10 Years

OVELMO CURED HIM

Test Course Given Free

My father was a sufferer for years from Chronic Eczema. He tried doctors and everything else without relief. Nothing did him any good. He grew worse and worse each year. It seemed there was no hope for him. He uttered despair of ever securing any real help from others. I determined to work on a treatment myself, as I am a Registered Pharmacist, owning a drug store in Ft. Wayne, Ind. I studied practically all known medical authorities on Eczema and Skin Diseases, and finally compounded in my own laboratory the OVELMO OINTMENT. It is designed to remove the cause of the disease, by working on the system internally, while the itching, smarting, burning and unsightly appearance are relieved by a soothing, healing cream applied to the affected parts.

Completely Cured

OVELMO worked like magic. My father and I hardly dared to believe our eyes. The itching ceased—his no longer formed—the scabs were replaced by new, clean, smooth, healthy skin—his general health improved—he could sleep well at night, and in a short time was completely cured.

His case was well known, and his cure was so remarkable that the news spread all over the surrounding country. A little boy, whose flesh about the ankles had sloughed away almost to the bone, was next entirely cured by OVELMO, and the demand for it became so great around my home town that I was urged on all sides to place it before the general public. It is just as good for cuts, burns, bruises and chilblains as it is for Eczema and Skin Diseases.

1000 Treatments Free

I want to prove to every interested person, free of charge, what OVELMO will do in all cases of Skin Disease. I want to introduce it everywhere, and am going to give away 1000 Test Treatments Absolutely Free of Cost and Postage Paid to those needing treatment who write me for it promptly.

You can stop scratching—you need not be afraid to be seen in public—you can sleep well at night. The matted sores—the greenish crusts—the scabs, bleeding, itching skin can be restored to health, made clean and smooth again. Just write a postal, or a letter stating the Skin Disease for which you want the treatment and the age of the sufferer and I will send you a Test Course by return mail. In plain wrapper, free and postage paid.

Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car."
- "Don't sleep in hot rooms."
- "Don't avoid the fresh air."
- "Don't stuff yourself at meal time."

Over-eating reduces your resistance. To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by W. H. Windrow.

We know no reason why we should not vote for the four proposed Constitutional Amendments that appear on the ballot for next Tuesday's election.

VICE-PRESIDENT Sherman died at his home in New York Wednesday night. Mr. Sherman was the nominee of his party to succeed himself at the coming election.

HAND us a dollar and have this paper sent to you for one year. There will be something doing in every issue and each copy will be worth the price of a year's subscription.

ON another page of this paper will be found a sample of the official ballot that will be used in the election next Tuesday. It is about the simplest ballot and requires about the least scratching of any we have had since the present form of ballot has been in use. A very little study will enable any one to vote intelligently.

THE burning of St. John's Orphanage in San Antonio Wednesday morning is another of those deplorable tragedies that shock the sensibilities of all feeling people and against which the wisest of human endeavor seems powerless to provide. The heroism of the nuns in giving their lives in an effort to save their charges is as sublime as any ever displayed upon a field of battle.

**Don't Shock Your
Liver With Calomel!**
 Dodson's Liver-Tone Persuades It to Work Naturally and Safely—No restriction of habit or diet.

If you have a sick horse, you cannot make him work by beating him, and if you try it you are liable to ruin him forever. It's the same way with your liver. When it becomes torpid and sluggish, you can take calomel and whip it into action, but the calomel will leave your body weaker and sicker than ever. Calomel is a very powerful chemical made from mercury.

A perfect substitute for calomel, that has all of its medicinal properties with none of its dangerous and uncertain follow-ups, is Dodson's Liver-Tone.

W. H. Windrow's drug store sells Dodson's Liver-Tone with the guarantee that if you don't find it a perfect substitute for calomel, this store will give you your money back. Dodson's Liver-Tone is a true tonic for the liver, purely vegetable, and with such a pleasant taste that it is no trouble to get children to take it. It is absolutely impossible for it to do anyone any harm, because it simply persuades the liver to do what it ought to do—no more and no less.

Polish Mop

With it you can dust, clean and polish a hardwood floor in the time it formerly took you to get ready to do it.

Besides, you do not have to get down on your hands and knees to dust under the bed or other hard-to-get-at places, or to stand on a chair to dust the top of the high furniture. All of the hard work is now made easy with the O-Cedar Polish Mop. It gathers all the dust or dirt from everywhere and holds it. The mop is easily cleaned by washing and then renewed by pouring on a few drops of O-Cedar Polish.

Try it at Our Risk Try it two whole days with this understanding: If you do not find it satisfactory in every respect we will return your money. The price is only \$1.50 and it will save its price many times over in a short time.

WE know no reason why we should not vote for the four proposed Constitutional Amendments that appear on the ballot for next Tuesday's election.

VICE-PRESIDENT Sherman died at his home in New York Wednesday night. Mr. Sherman was the nominee of his party to succeed himself at the coming election.

HAND us a dollar and have this paper sent to you for one year. There will be something doing in every issue and each copy will be worth the price of a year's subscription.

On another page of this paper will be found a sample of the official ballot that will be used in the election next Tuesday. It is about the simplest ballot and requires about the least scratching of any we have had since the present form of ballot has been in use. A very little study will enable any one to vote intelligently.

THE burning of St. John's Orphanage in San Antonio Wednesday morning is another of those deplorable tragedies that shock the sensibilities of all feeling people and against which the wisest of human endeavor seems powerless to provide. The heroism of the nuns in giving their lives in an effort to save their charges is as sublime as any ever displayed upon a field of battle.

ESCAPE ==

JOE Boehmer thinks neither Brisbane or Hapgood could hold a job on the Anvil Herald or the News-Guide and make good. Some of the best newspaper men began by rolling ink on a Washington hand press and it may be that the larger success of these two men has not caused them to forget the steps by which they rose. However, we have been afforded another reason to be happy with our lot. Norman Hapgood has resigned his \$25000 a year job with Collier's to vote for Wilson while we expect to vote for him without running the risk of any one so much as trying to force us to accept a postmastership much less give up our pleasant and profitable job of furnishing mental pabulum for this column every week!

For less than two cents a week you can get all of the news of Hondo and Medina County in the Anvil Herald. Subscribe for it today.

Don't Shock Your Liver With Calomel

Dodson's Liver-Tone Persuades It to Work Naturally and Safely—No restriction of habit or diet.

If you have a sick horse, you cannot make him work by beating him, and if you try it you are liable to ruin him forever. It's the same way with your liver. When it becomes torpid and sluggish, you can take calomel and whip it into action, but the calomel will leave your body weaker and sicker than ever. Calomel is a very powerful chemical made from mercury.

A perfect substitute for calomel, that has all of its medicinal properties with none of its dangerous and uncertain follow-ups, is Dodson's Liver-Tone.

W. H. Windrow's drug store sells Dodson's Liver-Tone with the guarantee that if you don't find it a perfect substitute for calomel, this store will give you your money back. Dodson's Liver-Tone is a true tonic for the liver, purely vegetable, and with such a pleasant taste that it is no trouble to get children to take it. It is absolutely impossible for it to do anyone any harm, because it simply persuades the liver to do what it ought to do—no more and no less.

Housekeeping Is Not the Task It Used to Be

MODERN invention has done away with much of the hard work. For instance, the cleaning and polishing of hardwood floors, the dusting of moldings, the tops of high furniture, the stairs, under the radiator, etc. These back-breaking tasks are now made easy with the

O-Cedar Mop Polish

With it you can dust, clean and polish a hardwood floor in the time it formerly took you to get ready to do it.

Besides, you do not have to get down on your hands and knees to dust under the bed or other hard-to-get-at places, or to stand on a chair to dust the top of the high furniture. All of the hard work is now made easy with the O-Cedar Mop Polish. It gathers all the dust or dirt from everywhere and holds it. The mop is easily cleaned by washing and then renewed by pouring on a few drops of O-Cedar Polish.

Try It at Our Risk

Try it two whole days with this understanding: If you do not find it satisfactory in every respect we will return your money. The price is only \$1.50 and it will save its price many times over in a short time.

Sabinal Siftings.

From the Sentinel.

Miss Adela Reinhart of San Antonio came out Sunday to visit the home folks and returned Tuesday night.

Mr. B. Marks arrived Monday from Dallas where he has been for a month or longer. He was operated upon at the hospital there about a month ago. He has improved all right since the operation but is still weak. We are glad to see him back in the store again and hope he will soon be strong as ever.

Mr. and Mrs. Dan Simmons and children passed through Sabinal yesterday on their way to Utopia where they will make their home. Mr. Simmons is a brother of Mrs. C. M. Cullins.

Mr. Vollmer's new Baker Shop is under construction. They are laying the brick. The new oven will have more than three times the capacity of the one now in use. Mr. Vollmer evidently is preparing to feed the people.

Mrs. Joe Reily went to San Antonio yesterday.

Mrs. B. Marks left Wednesday night for Dallas to visit her daughter, Mrs. Margulies.

Mrs. Cullins is enjoying a visit from her sister and niece from Hondo.

Mr. and Mrs. Robbie Harper have just returned from a visit to Hondo and San Antonio.

Mack Furgeson is moving to Hondo.

Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at W. H. Windrow's.

Doesn't Care for Soup.

Wilson Dunaway says his wife poured hot soup on him. There are a number of methods for disposing of soup, but this strikes us as the best yet suggested.

Only A Fire Hero

but the crowd cheered, as with burned hands, he held up a small round box, "Fellows!" he shouted, "this is Bucklen's Arnica Salve I hold, has everything beat for burns." Right! also for boils, ulcers, sores, pimples, eczema, cuts, sprains, bruises. Surest pile cure. It subdues inflammation, kills pain. Only 25 cents at W. H. Windrow's.

Stops Spitting.

Two small curved ribs within the spout of a new anti-spitting faucet prevent the water splashing as it issues, no matter what the pressure.

Eyes Sunken With Pain

Three years ago I had a very bad spell of neuralgia which caused my eyes to become sunken and bloodshot, with pain. Hunt's Lightning Oil was recommended and after using, the pain left and has not returned, says A. M. Coffey, 316 Van Buren Street, Litchfield, Ill. This wonderful medicine is sold by all druggists everywhere.

To Clean Gold Lace.

Gold lace and embroidery can be cleaned with powdered burnt alum, applied with a soft brush and wiped off with a soft cloth.

A Great Building Falls

On the first signs of indigestion, Dr. King's New Life Pills should be taken to tone the stomach and regulate liver, kidneys and bowels. Pleasant, easy, safe and only 25 cents at W. H. Windrow's.

It's easier to get on in the world than it is to get up in it.

What a Euphist Preacher Did

This is to certify that I have used one box of Hunt's Cure for a Skin trouble, and same cured me after using about \$8.00 worth of other ointments and salves. Nothing like Hunt's Cure for Skin troubles. Rev. H. T. Sizemore, Hemphill, Texas.

It's better to kiss a miss than to miss a kiss.

Calomel is Bad

But Simmen's Liver Purifier is delightfully pleasant and its action thorough. Constipation yields, biliousness goes. A trial convinces. [In Yellow Tin Boxes Only] Tried once used always.

The Love Letters of a Confederate General

WE begin in the November issue a series of real love-letters written over fifty years ago by one of our national heroes to his sweetheart during the period of '61 to '65. This great general will go down to posterity as having accomplished one of the most brilliant feats of arms in the history of the world. He was as great a lover as he was a general, therefore these letters combine authentic history and exquisite romance. They sound a human note that no other work of literature has done in a decade; it is war, it is romance, it is history, it is literature. You simply can't afford to miss this wonderful series—an inside story of the Civil War now published for the first time and containing all the freshness of a contemporary happening. These letters will grip you hard, and hold your interest from first to last. Fill out the coupon and send it now before you forget it.

Even Then.
The wise men never speak till they have something well worth while to say. And being wise and thoughtful men, they say but little even then.

Unworthy of His Love.
"George Tillson and Mamie Sprague are engaged."
"For goodness sake! I always thought he had good taste."
"Well, Mamie isn't a bad looking girl."
"But look at the style of her. She doesn't hide her ears by combing her hair over them."

A Sure Sign.
"That woman pretends to move in the most aristocratic social circles, but I have found out one fact which strongly intimates she does nothing of the sort."
"What is it?"
"She pays all her bills."

Not to His Liking.
"How did you enjoy your visit to your grandfather in the country, Rob?"
"Oh, it was fine, except I had to wash my face and hands in raw water at the pump. I like it cooked best, like we have it at home."—Judge.

Monkey of Him.
"He says he is going to look up his family tree."
"He had better make sure first that there are none of his ancestors swinging up there ready to throw nuts at him."

Unreasonable.
"Did your friend have a good time on his hunting trip?"
"No; didn't enjoy himself at all. The guides got peevish about his shooting so many of them for game."

Explained.
"What color is that very stylish suit of Anna's?"
"Electric blue."
"That accounts for its being so stunning."

The Reason.
"If you notice, husband and wife rarely make an ascension together."
"Maybe they are afraid of falling out."

Ruchter's paint will save you money. Holloway Bros.
